Avalon Academy Noida Our Alliances

Avalon Academy Noida partners with leading airlines, hotels, luxury brands, and professional organizations to ensure our programs meet current industry standards. These strategic collaborations provide students with practical exposure, internship and placement opportunities, and valuable insights into emerging industry trends.

Our Industry Associations

At Avalon Academy Noida, we believe that true career readiness comes from real industry exposure. To ensure our students are trained to meet current and future industry demands, we collaborate with leading airlines, renowned hotels, luxury brands, and professional organizations across the aviation, hospitality, and luxury retail sectors. These strategic alliances help us design programs that are industry-relevant, practical, and globally aligned, giving our students a strong competitive edge from day one.

Industry-Driven Learning

Our partnerships go beyond classroom teaching. Through close collaboration with industry leaders, students gain access to hands-on training, live industry interactions, and practical learning experiences that mirror real workplace environments. This ensures they graduate with skills employers truly value.

Internships & Placement Opportunities

Through our network of alliances, Avalon Academy students benefit from:

- Internship programs with reputed organizations
- Placement assistance with leading airlines, hotels, and luxury brands
- Exposure to real-world professional standards and expectations
